Customers with an existing HSBC checking or savings account may fund the Online CD account electronically from their HSBC account with a maximum deposit of \$2,000,000. There is a maximum of \$350,000 when making an additional deposit/withdrawal during the grace period with an electronic transfer from/to another financial institution.

The total amount you can have on deposit in any Online CD is \$2,000,000, excluding interest. The Bank reserves the right, with notice, to transfer to any other HSBC deposit product you have, all or part of the amount of any transaction, excluding interest that causes your Online CD to exceed the above balance of \$2,000,000. The Bank in its sole discretion also reserves the right to return such amount to you in an official cashier's check.

CDs are opened online on Business days only. If the application process is finalized on a Saturday, Sunday or Bank Holiday or on a Business Day at a time when the processing of your deposit can not be completed that same day, your account will be opened on the following Business Day. If this occurs, your account will receive the interest rate and APY in effect on the day it is opened.

* The interest rates and Annual Percentage Yields (APYs) above may change at any time in the Bank's discretion without prior notice, before any CD is opened. The interest rate and APY is fixed once your account is opened. CDs cannot be opened before the application process is finalized and funded.

TERMS & CHARGES DISCLOSURE¹

Applicable to accounts opened online only.

HOW INTEREST AND APY WORK	Accrued Interest	Interest begins to accrue on the day you deposit noncash items (e.g., checks).
	Balance Computation	We use the "Daily Balance" method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.
	Annual Percentage Yield	Is based on principal and interest left on deposit for a full 365 day year with interest compounded at the same interest rate. Withdrawal of interest prior to maturity will result in a lower Annual Percentage Yield than stated.
	Frequency of Rate Change	The interest rate, as disclosed on your Account Receipt, will be paid until the maturity date.
	Compounding and Crediting	Your Account Receipt will indicate, at time of account opening, what is applicable to your account. Interest compounding depends upon product options available at account opening. Depending on the term and other features of the account, interest may be credited and paid monthly, quarterly, semi-annually, annually, or if the account term is one year or less, at maturity. If periodic interest payments are available, you may choose to have the interest credited to another HSBC deposit account. Even if periodic interest payments are not available, you may withdraw any earned interest on or before the maturity date with no early withdrawal penalty.

GRACE PERIOD	The period of time following the maturity of an automatically renewing term account during which you may perform a one-time deposit or withdrawal of funds without being assessed an early withdrawal penalty. The grace period will terminate on the day you provide an instruction to change the term or perform a transaction.	
	Any withdrawal made during the grace period is treated as withdrawn on the date the account renewed and will not earn interest. Any deposit made during the grace period is included in the amount renewed and will earn interest from the renewal issue date.	
	Product/Renewal Term	Grace Period
	6 Month CD or Greater	Ten (10) calendar days including maturity date

MATURITY	We will send you a notice before the maturity date: a. If you have an automatic renewal account and the term is greater than one month; or b. If you do not have an automatic renewal account and the term is greater than 45 days.
-----------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

eSTATEMENTS	Are provided at least quarterly and may be more frequent depending on the type of transactions and/or an agreement made at the time of account opening.
